

COVER AND STORAGE BINS

For the Platform Frame

- The cover assembles in minutes and makes our durable platform base look like a traditional foundation.
- Attractive microfiber fabric meets regulation 1633 for flammability requirements.

- Heavy nylon bins offer convenient underbed storage.
- Assemble in less than a minute. No tools required.
- Four easy-roll casters per bin.
- Velcro strap holds bin in place under the bed.
- Detach the rolling portable bins to easily collect items around the room (i.e. toys).
- Neutral black color.
- Two per box.

Frame, cover and bins are sold separately.
